New Hampshire Electric Assistance Program

You may be eligible for a **discount** of up to 76% on your electric bill.

Effective July 2023

What is the EAP?

The Electric Assistance Program (EAP) gives eligible customers a discount for the first 750 kWh on their monthly electric bills.*

The discount ranges from 8% to 76% depending on gross household income and household size.

Customers of the following utilities may apply for the discount:

Eversource Energy

Liberty Utilities

**New Hampshire Electric Cooperative
Unitil**

**Benefits and participation are subject to availability of funds.*

We know that electric customers sometimes need help paying their electric bill. The EAP discount helps make electric bills more affordable. Being able to pay the electric bill every month avoids the risk of service cutoff for nonpayment.

The electric utilities are working with the five Community Action Agencies (CAAs) in the state to identify and enroll eligible customers.

Am I Eligible?

You are eligible if:

- 1 You are a renter or homeowner who receives an electric bill from any of the utility companies previously listed.

AND

- 2 You have a gross monthly or annual household income that qualifies you at the time you apply.

Income Eligibility Guidelines		
Household Size	30-day Income	Annual Gross Income
1	\$3,422	\$41,635
2	\$4,475	\$54,446
3	\$5,528	\$67,257
4	\$6,581	\$80,069
5	\$7,634	\$92,880
6	\$8,709	\$105,961
7	\$8,885	\$108,093
8	\$9,082	\$110,495

How Do I Apply?

Call your local CAA office. They will tell you what to bring to your appointment.

Keep your appointment and bring all paperwork the CAA asks for.

If you cannot get to the office you can arrange for a phone interview, a home visit or have an application mailed or emailed to you.

How is the Program Funded?

Customers of the participating utilities support the EAP through part of the System Benefits Charge on their electric bill.

Need More Info?
